Epilogue

Who is on the Lord's Side?

Who is on the Lord's side? Who will
serve the King?
Who will be His
helpers, other
lives to bring? Who will
leave the world's
side? Who will face the
foe? Who is
on the
Lord's side? Who
for Him
will go? By Thy call of mercy,
By Thy grace
divine,
We are on the Lord's side,
Saviour,
we are Thine.
Who is on
the Lord's side?
Saviour, we are
Thine.

We Meditate . . . in His Spirit

The spiritual life of the individual is the most basic factor in determining the atmosphere of the school. Private daily devotions are of necessity an integral part of the student's life.

Our monthly Day of Prayer unites us as one spiritual body. Many burdens undertaken in prayer by the entire school were seen answered this year.

Chapel service, a vital part of each day, offered quite a variety of presentations.

The college stands out as a light in the community, striving to use various opportunities to present Christ to others.

In the lounges . . .

In team spirit for the "winning Falcons . . ."

Dr. Forest Weddle, the 1970 Light Tower

We are thinking this year of what it means
when we say that Fort Wayne Bible College
is on the Lord's side.

And as we think of this, we look to
the people who make our school
what it is. We look to you,
Dr. Weddle, and know that you
are a unique example of one

who has long taken that stand. You are
an example of devotion to us.

As your students, we hope to
devote our lives to the same principles that you have
followed. You are an example
of strength to us. Through

illness and hard times,
you have maintained a firm position
in Christ, not failing to be used
of Him. You are an example
of service to us.

For over forty years,
you have labored in the Lord's forces, never
seeming to grow weary. You are
an example of scholarship to us. You
have devoted years of your life
to research and study,
in preparation for better service. You are
an example of leadership to us.

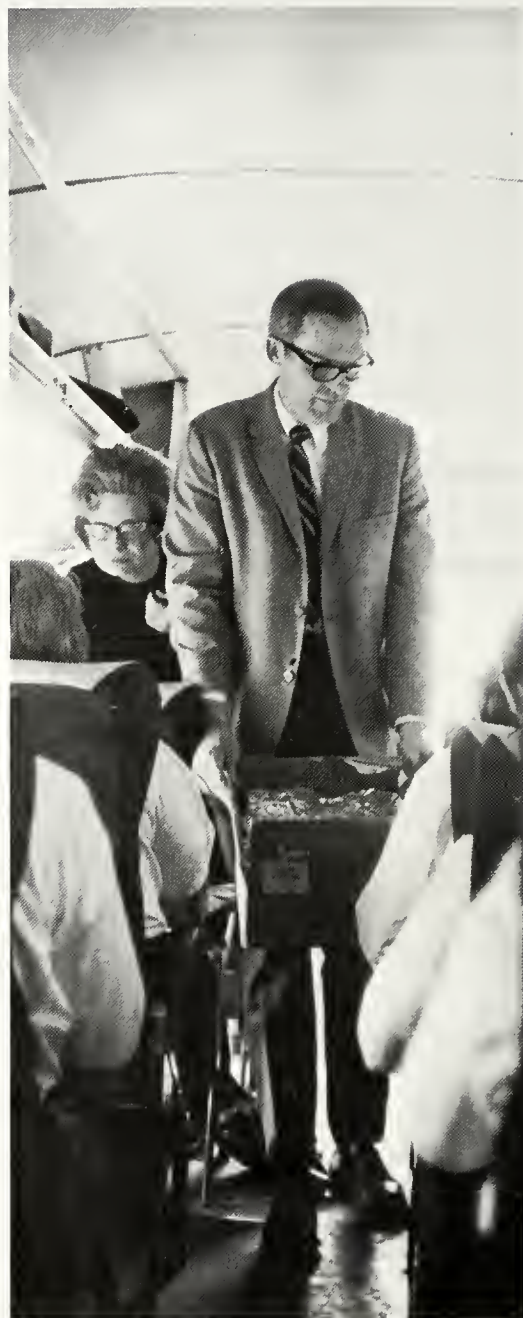

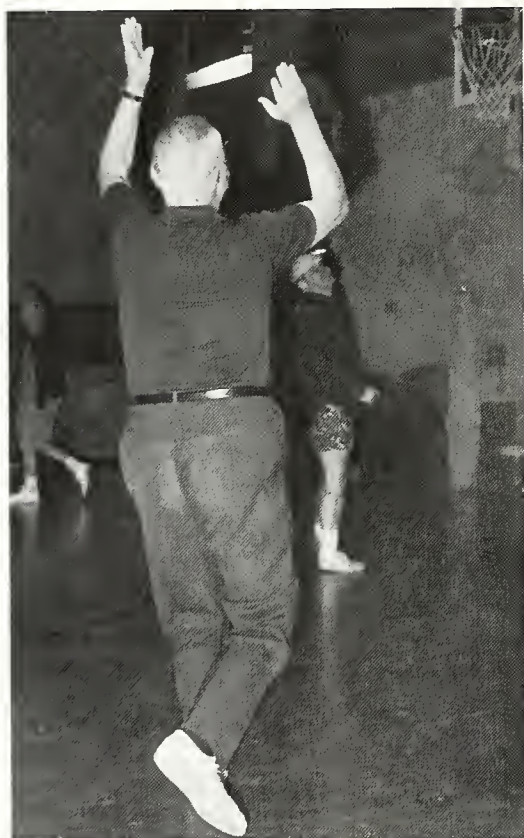

You have guided
us into the paths of knowledge
of God's Word, as our instructor in the Scriptures.

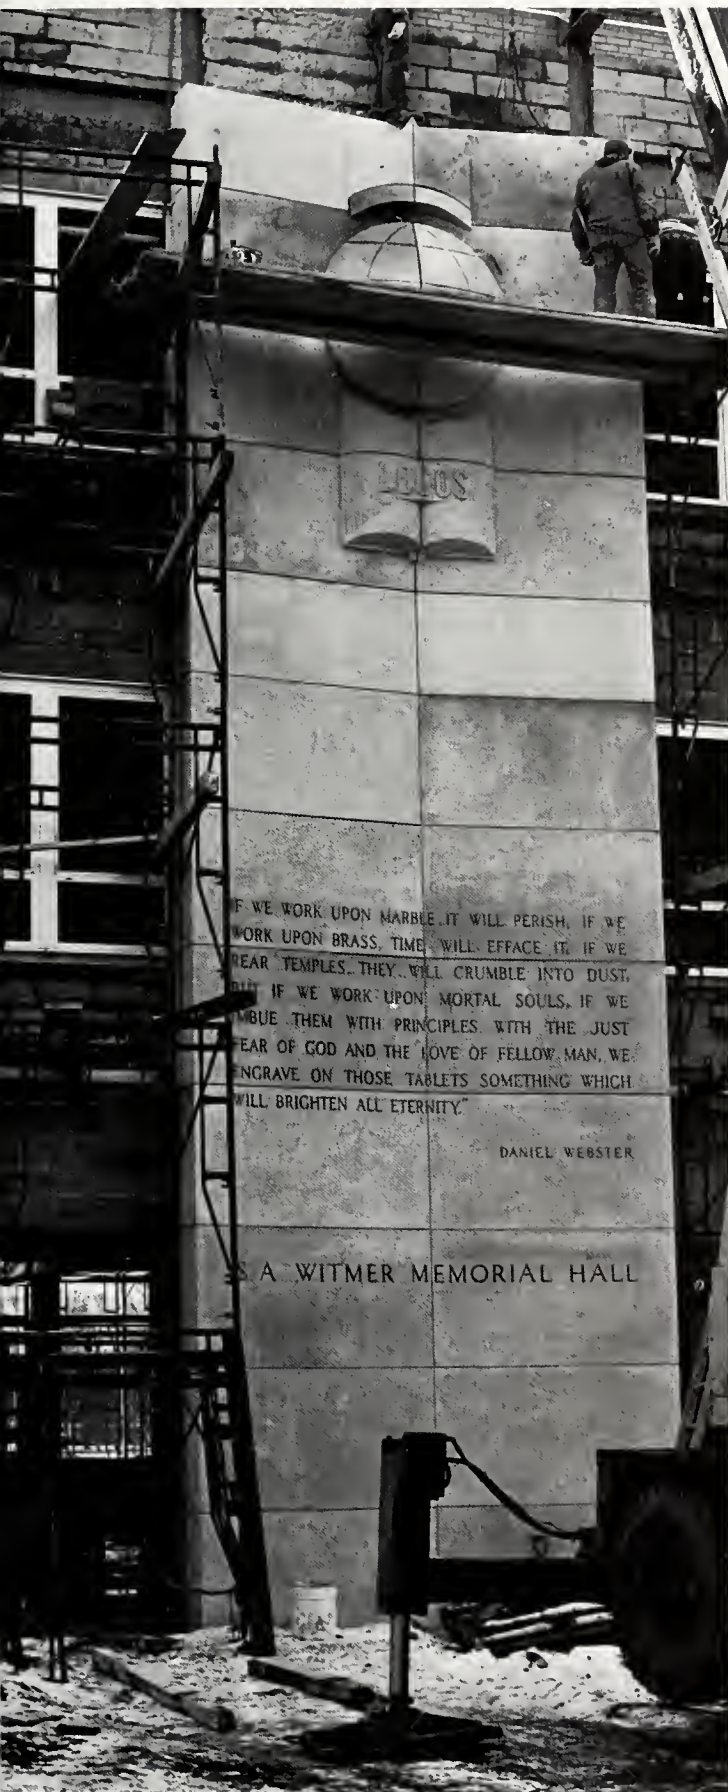

We say thank you, Dr. Weddle,
for letting us look to you
as an example of one who is
on the Lord's side.

is a Token of

Our Appreciation to You

In Special Recognition to CLYDE TAYLOR for twenty years of service.

Here, at the N.A.E. banquet held in his honor, he and his wife talk with Mrs. Arthur Climenhaga.

At the dinner, Dr. Taylor's daughter Darlene, gave him a "Snoopy" because he somehow found out about this "surprise" dinner before it happened!

Every now and then, a strong, dedicated man comes along—one who is not afraid of work and responsibility. C. W. Taylor has given twenty years as an active member of the Fort Wayne Bible College Governing Board. Not only has he faithfully served our school for these years, but Dr. Taylor has also completed twenty-five years of service in the nation's capitol on behalf of evangelicals. We as a college feel it a privilege and a distinct honor to have such a versatile and responsible man on our governing board. We, the student body would like to thank him for his service, and for maintaining a life-long stand for Christ. Truly, Clyde W. Taylor is a man who is on the Lord's side.

President Gerig

Dr. Jared F. Gerig has given his abilities and talents to the office of the president since 1955. With an ever growing fulfillment, Dr. Gerig has helped to develop Fort Wayne Bible College into one of the outstanding Bible colleges in the nation. He has maintained a distinctive approach to higher education, founded in the Scriptures. His experience as a teacher, pastor, educator, and administrator have led Dr. Gerig into his present ministry.

Dr. Jared F. Gerig has the depth of spirit and warmth of heart of a mature man of God, who continues to be a source of guidance. He has been a president who has "served the King with other lives to bring."

Dean Warner

Dr. Timothy Warner has dedicated himself to the providing of Fort Wayne Bible College with an excellence in education, and to the developing of the total student within a well balanced college program. Using his talents as an administrator and educator, he has sought to lead the college to a fuller development of its Biblically based philosophy of education. His work in the Missions Department, Student Missionary Fellowship, and other activities, proves his interest in meaningful involvement. He has given guidance to the faculty, Missions Department, individual student, and to the entire student body. He is a dedicated man who is on the Lord's side, and continues to use his talents and abilities to create a continually improving education.

The "band tour narrator" shows his more serious side!

A man of many talents, he performs his opera, "Old Mother Hubbard."

FACULTY AND STAFF

Term papers, deadlines, tests, busy work . . . these are about the only things that we students see our teachers giving to us. Yet, they give much more. They continually give of their time, their prayers, and their concern. The efforts of the faculty, however, are combined with the sacrificial giving of another group, the staff. Each one of them represents a life of giving. This year, as in the past, we can appreciate our faculty and staff as dedicated people who are on the Lord's side.

JUNIORS

Next year will be our last year on the campus of Fort Wayne Bible College. But this year was special—special to us and to the school. As Christians, we have learned the true meaning of service and dedication; we have learned that it takes both to be on the Lord's side. Three years of fun, studies, activities, athletics and service . . . three years we will never forget . . .

SOPHOMORES

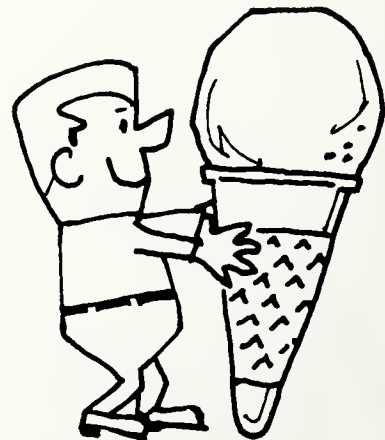

The Sophomore class has come a long way since the time when we were Freshmen. We have grown in several ways: spiritually, mentally, and physically. We have remained on the true course of preparation, the preparation for Service, in order that we, too, might remain on the Lord's side. We have learned from fellow students the meaning of involvement and service. We look forward to the years remaining at Fort Wayne Bible College . . . and we pray for the Lord's direction in our lives.

FRESHMEN

We have completed one year at Fort Wayne Bible College, a year of experience and hard work. A few months ago, we stepped into the empty shoes left by the Sophomore Class . . . we have tried to fill them. As a class, we have tried to reach the goals and objectives of the Christian life by placing ourselves wholly on the Lord's side. We have joined the Army, and a new fight. We will remain true. We will be counted.

CAMPUS LIFE

A day in the life of a "B.C." student brings many experiences—some dull and routine, some new and exciting. Following a morning of classes, we rush on to an afternoon of study, work, or sleep. And then, an evening finds us at club or committee meetings, C.S. assignments, or, quite often, at study. Day by day, as our lives follow this same, yet this exciting pattern, our first desire is to keep a close communion with God. This is how we say, "We are on the Lord's side."

**We Dwell . . .
in His Presence**

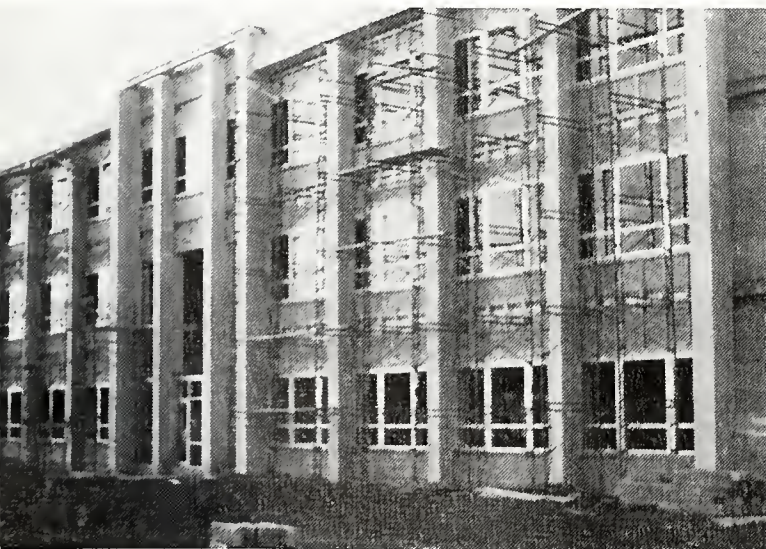

We Delight . . .

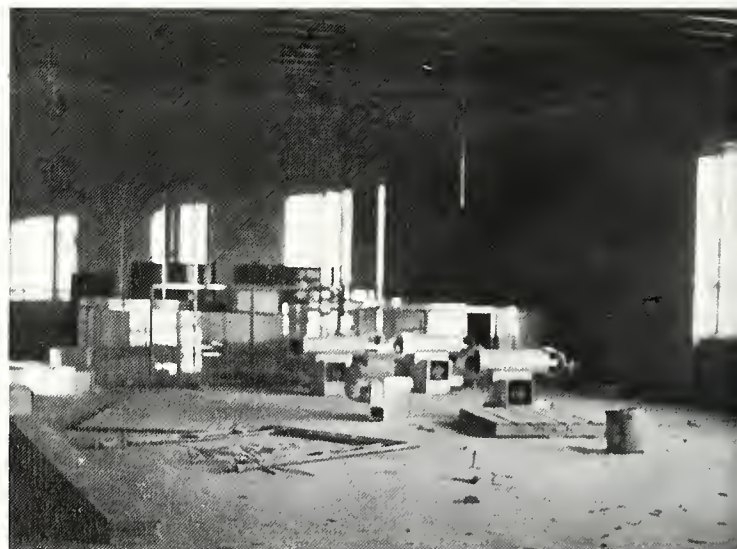

What's this—a "trench" on south campus?

First, a vague dream, then a long range prayer, and finally, a reality. S. A. Witmer memorial now proudly stands on our south campus as an example of prayerful faith and sacrificial planning. We might say that, because we are on the Lord's side—because we are a college dedicated to serving Him—He has rewarded us with this blessing.

We didn't often get to see the inside!

It was fun watching the rapid progress throughout the year.

in His Blessings

By April, 1970, this is how the "new building" looked.

This was a common sight.

The corner-stone laying took place during Homecoming weekend. Among its contents was a 1969 Light Tower!

A Day in the Life

An evening of study . . .

Off to class . . .

Chapel **every** morning!

An afternoon of practice . . .

Or a nap . . .

But not to bed!

ATHLETICS

As Christians, we need to make sure that we emphasize, not only the spiritual, but all phases of our lives. And, as college students, we must be sure to exercise, not only the mental part of our lives, but all parts. Included in this is the development of ourselves physically. Whether it be playing on the team, or sprightly cheering them on to victory, we can join in. So, we can show in another area of our lives, that we are on the Lord's side.

ACTIVITIES

Each day brings about
a tremendous change in a person . . .
for one never stays the same. We
are always striving to reach the
mark of the Master.
We at Fort Wayne Bible College believe
that all our activities should
be Christ-centered; this is why
we have the extra-curricular
programs we have; this is why
we can say: we are on the
Lord's side, Saviour, we
are Thine.

SPIRITUAL EMPHASIS WEEK

Each semester a special week is set aside for the purpose of strengthening our fellowship with the Lord, before we begin the new semester.

Being on the Lord's side is not always easy; sometimes it takes a great deal of preparation and sacrifice. The students have learned that Spiritual Emphasis Week not only strengthens their spiritual relationships, but their physical ones as well. In order to be an effective Christian, one must learn to serve, love, and fight . . . fight only for the Lord. Yes, a time of spiritual emphasis is not only refreshing, but necessary.

Guest Artists

The Summit City String Quartet

Each year Fort Wayne Bible College presents various guest artists to perform for the Guest Artist Lecture Series. Each artist has a different and unique program which is offered to all of the students. Not only do students attend, but the community as well takes advantage of these cultural activities. Among some of the most distinguished performers this year were Mennahem Pressler, The Summit City String Quartet, and Charles Forbes Taylor. This year we were especially fortunate to have the Everyman Players, performing the Book of Job. These lectures provide the students with a chance to enrich their education by exposing themselves to the fine arts, and some of the country's leading performers.

Student government is nothing but people working with other people. "Salute To Fort Wayne" brought formal tribute to the usually unrecognized benefactors who supply our students with jobs. Student-oriented events . . . the all-school picnic, Spring Banquet, Alumni-Parent Homecoming, skating party, student talent night, and a Collegians concert, provided students with social activities.

THE STUDENT Voice

The goal of the STUDENT VOICE is to represent the students of F.W.B.C. in general. Published monthly, the STUDENT VOICE has strived to reflect the enthusiasm of the student body necessary for a healthy academic, social, physical, and spiritual growth. The staff has written out of a desire to do the best job, rather than trying to do a professional or perfect job. Learning the rudiments of journalism from a hard teacher—experience—the staff has come to know the agony of sacrifice, the pressure of deadlines, the acceptance of criticism, the relaxation of humor, and the contented sigh of "It's out!" Experience has also taught the staff the organization of a school paper, the ability to work in unity, the wisdom to solve difficulties, and the patience to endure. Definitely, the staff has known the practical reality of "We are on the Lord's side."

Playing in the Fort Wayne Bible College band is an enjoyable, but profitable experience. The player is not only afforded the opportunity to improve his talent by playing good music, but he can also enjoy the fellowship of fellow players through band socials and the winter concert tour. It goes without saying that the tour, which the band takes in February, is the highlight of the year. This year the band toured as far as Cleveland, Ohio. Meeting many new people and staying in a different home every night is quite an experience! In addition to the tour concerts, the band also performs during chapel, the annual Commencement concert, and at the Baccalaureate.

The Women's Chorus consisted of thirty one girls this year. Taking a ten-day tour throughout the Ohio and Pennsylvania areas, this singing group represented Christ with their songs and with their testimonies. Besides a tour in the spring, a number of Sunday evening concerts were given in various churches throughout the Fort Wayne area. Also, for the first time this year, the Women's Chorus gave a home concert at the college with an open invitation to all. Romans 12:9-12 was selected as the year verse. Unity and a working together to represent Christ, has been the aim of each girl. Under the direction of Miss Marilyn Andersen, the Women's Chorus has sought only to become the kind of instrument which can best glorify Christ.

The F.W.B.C. Chorale

The Chorale has been used by God to change things,
especially peoples' hearts.

The Lord has given them all talent—
an individual talent that has been shared with the group.

The results of their talents was a unique blend,
a blend of harmony, rythm, and symphonic happenings.
Directed by Jay Platte, they performed this year as if they were
singing for a purpose—the purpose of sharing the love
of Christ with all who heard. They sang
because they were on the Lord's side.

CHRISTIAN SERVICE

The inpouring of knowledge without its practical outworking results in staleness. At F.W.B.C., we have the opportunity to use the knowledge gained in the classroom through Christian service ministries. What can be more exciting than seeing a soul won to Christ? Nothing!

This is why six hundred students work in their separate capacities to recruit many others to the Lord's side!

The Picture of the Year

EPILOGUE

From the cradle to the coffin,
man seeks God. And, with every breath he takes,
He comes to realize that he knows very
little about God's creation. Every
Christian at some time
must ask himself: Am I on the Lord's side?
We study, we prepare, we share, we
reach out—all in an attempt to better
mankind by bringing him to the
knowledge of Christ. We, the students
of Fort Wayne Bible College, have
just begun the long battle, the battle that
so many before us have died for. We ask
ourselves: Who is on the Lord's
side? And, we answer:
We are on the Lord's side,
Savior, we are Thine!
